Dear Miss Rundle,

I see from the account received from the College of Nursing for lectures attended by Bedford College students that there is an increase in the charges made for lectures on Principles of Education. Hitherto we have always paid 1 guinea per student, regardless of whether they were members of the College or not, so I presume this increased charge is a clerical error.

The same thing applies to 5 students of tropical diseases charged at £1. 8. 0 each instead of 1 guinea.

May I ask you to be good enough to let me have a revised account.

Yours truly,

Secretary.
