5. Admission of Students 1934-35.

a. Student referred from the last meeting. Elli Behrendt.

Mrs. Reid reported that this student had been expected to arrive in England on the preceeding day, but had been held up owing to the fact that the Germans would not at the present time allow a scholarship to be held out of Germany; that the League of Red Cross Societies was making arrangements for the transfer of money in this connection and she hoped that the student would arrive in England any day now.

RESOLVED that the final admission of Elli Behrendt be postponed until the October meeting.

2nd July 1934.

b. New Admissions.

Applications for admission to the courses were before the Committee as follows:

Course for Nurse Administrators and Teachers in Schools of Nursing.

Four applications were received as follows:

Jean I. Masten	Canada
Margareta M. Sasburg	Holland
Ella M. Kopstad	Norway
Fatma Kemal	Turkey

Satisfactory reports were received in connection with each application. Some doubt however was raised as to which course would be the most suitable for Miss Sasburg.

It was noted that one of the applications came from Turkey. In this connection, Mrs. Carter informed the Committee that they were very glad to have obtained at last a student from Turkey, particularly in view of the fact that she had been recommended from the Training School Department of the American Hospital, which ensured a good standard of work; that the Red Crescent had at present no school of their own and their standard was not considered very high.

RESOLVED

that the following be admitted to the course for Nurse Administrators and Teachers in Schools of Nursing for the session 1934-35:

Jean I. Masten (Canada)
Ella M. Kopstad (Norway)
Fatma Kemal (Turkey)

that Margareta M. Sasburg (Holland) be admitted to take one of the courses for International students, but the final decision as to which course she should take be left open until the Director of the Department has had an opportunity of interviewing her.

the session 1934-35.

Mrs. Carter reported that in addition to the above there was one more application, the scholar, (Miss P.R. Williamson) financed by the Nightingale Fund; that this application together with one or two others would have to be formally considered at the meeting in October.

The Secretary reported in connection with the Nightingale Scholar that she had already received formal notification from the Fund of the award of the scholarship.
