Dear Miss Darbyshire,

I am very sorry to hear that you will not be able to continue with your membership of the Organisation Committee. We shall miss you very much. I hope, however, that it does not mean that you are ill, but are only better advised to live in the country, and will enjoy the marvellous air of Brighton. Whenever I have a really bad cold I go there, if only for a few hours, in order to get set up again.

With best wishes for the New Year,

Yours very sincerely,
