Miss Olive E. Monkhouse,  
Bedford College for Women,  
(University of London)  
Regent's Park,  
LONDON. N.W.1.

-7 OCT 1932 6277

Dear Miss Monkhouse,

I am enclosing a list of the students to come before the Organization Committee at its meeting on October 19th; the remaining copies I shall bring over with me when I come.

With regard to the Argentine candidate, we have asked for information by cable and as I have recently visited that country I shall be better able to judge if she meets the requirements. Unless she is an unusual student, the Committee may consider that it is too late for her to join the regular course. In that case we will treat her as a special student.

I shall be in London on the 16th so that if you would like to see me before the meeting would you be so kind as to let me know.

With my kind regards.

Yours sincerely,

Maynard L. Carter  
Chief, Nursing Division.
