25th March 1931.

Dear Miss Mechelynck,

The ceremony of the presentation of the League of Red Cross Societies certificates to the International Students has been fixed this year for June 29th at 3.30 p.m. when Lady Galway is to present the certificates.

As you will doubtless remember it has always been the custom for one of the speeches on this occasion to be given by a Nurse who can deal with the practical side of the work, and your name has been suggested in this connection. I am directed by the Council of Bedford College to express the hope that you will be willing to accept an invitation to make this speech this year.

You may like to know that the guests at this ceremony have always shown great interest in hearing about the work at present being done by former students of the International Group, and if such a suggestion meets with your approval I am quite sure Mrs. Carter will be glad to furnish you with

information which will be useful for your speech.

It is much hoped that you will be able to accept this invitation for ^{June}~~July~~ 29th.

Yours truly,

Secretary.
