MEMORANDUM

From: The Secretary of Council

11 October 1982

INSURANCE COVER FOR NURSING STUDIES STUDENTS WHILST ON WARD-DUTY AT THE MIDDLESEX

Everything seems to be resolved. Miss Drewett took the matter up with our own Insurers who are now preparing an endorsement to our present policy. She will confirm that there are no further worries when the endorsement arrives.

I think this obviates the need for us to meet over this particular matter.
