Miss Olive Monkhouse, M.B.E., B.A.,  
Secretary,  
Bedford College for Women,  
University of London.  
LONDON.

Dear Miss Monkhouse,

I am enclosing a list of the candidates who have applied for admission to the International Courses. I have also sent by hand a packet addressed to you c/o Miss Dorsey, 15, Manchester Square, which contains copies of the application forms and also twelve copies of the enclosed memorandum.

You will notice that I am not recommending to this meeting the two candidates proposed by the Yugoslavian Red Cross Society till I hear from them if they are willing for them to take the Public Health Course. Their applications will be laid before the next meeting in June.

I think it is probable that we will have 14 students altogether but it is a little difficult to say sometimes as the Red Cross Societies withhold their applications to the last minute.

With my very kind regards:

Yours sincerely,

Maynard L. Carter.  
Chief, Nursing Division.
