

196-1

25th April 1933.

Dear Mrs. Carter,

Thank you for your letter of the 13th April asking me to put off the meeting of the Organisation Committee which was suggested for May 3rd. This I have done as you will see from the enclosed notice.

I note that you suggest June 20th or 21st as a possible date for the meeting but do you not think this will run matters rather close? Term ends here on June 27th and it would be more convenient to consider applications earlier in the term, say towards the end of May if it is possible to get the question of scholarships settled by this time. Will you be good enough to let me know whether you think this can be arranged?

Yours very sincerely,

Secretary.
