Insurance Cover for Nursing Students

Thank you for your memo. (from Miss Drewett) of 30/3/83, the contents of which have been noted.

I should be glad to receive a note or a summary denoting a reference number of the meeting which took place between the Secretary and the Middlesex Hospital so that I can refer the ward sisters of the Middlesex Hospital to their own hospital authorities.

A similar situation will arise in October-December 1983 when our nursing students will be undertaking their paediatric placement in the Hospital for Sick Children, Charles West School of Nursing, 24 Great Ormond Street, London WC1N 3JH. The ward sisters at that hospital will also want to be assured that insurance cover is in force in case of student negligence to a third party.
