15th June 1936.

Dear Miss Paterson,

The Organisation Committee has resolved to present H.R.H. the Duchess of Kent, when she comes to College on June 26th, with a copy of Miss O'Malley's "Life of Florence Nightingale", suitably bound and inscribed. Will you kindly let me know what the price of the book is and where you recommend that I get it bound. The cover has to carry somewhere the Nightingale Lamp.

Yours sincerely,

Secretary.
