Dear Madam,

Bedford College has learnt with much pleasure that you have accepted the invitation sent through the League of Red Cross Societies to lecture to the International Students at the Summer School to be held at Bedford College this summer, and as Principal of that College I desire to offer you a very hearty welcome

We appreciate how much we are to be congratulated on having secured your help. It is delightful to be able to offer the students opportunities of learning from such wide experience about the "Principles of Teaching applied to Health Education."

Yours truly,

Principal.

Miss Jean. 4. Browne, Canadian Red Cross 410 Sherburne Street, Toronto.
