NEW HAVEN, CONNECTICUT

My dear Miss Tube -

Thank you very much
for your kind letter in
regard to my coming to Bedford
College this summer.
Consider myself very fortunate
and greatly honored to be
asked to lecture to the
International Music Students at
your college. My only wish is
that I may be able to be of
some service to them.

Looking forward with much
pleasure to the next at Bedford
College.
Yours sincerely,
Gordon E. Hodgman
