Dear Miss Monkhouse,

Two Exhibitions of Nursing are being arranged under the auspices of the Ministry of Health in Torquay on 21st. to 27th May and Plymouth on 25th. to 29th May and it would be greatly appreciated if you could lend the photographs and books which I saw when I visited the Manchester Exhibition in May 1942.

We are anxious that these Exhibitions shall be as comprehensive as possible and should you be able to assist in this way it would be helpful to know at an early date what material would be available.

The greatest care will be taken to return all photographs and books safely and without delay.

Miss A.E. Monkhouse,
Secretary,
Bedford College for Women.

P.T.O.

I often think of my happy year during the Florence Nightingale course and I was so grieved to know that the College was damaged by enemy action.

With sincere thanks

Yours sincerely,

Mabel Reynolds

Regional Nursing Officer.
