4th December 1928.

Dear Miss Bowes,

Thank you for the analysis of lectures taken by the College of Nursing Students. There is I think a little mistake in the cost per lecture course which should be £1.11.6, (one and a half guineas) but you have done your figures on the basis of £1.10.6. This makes the amount due to Bedford College at the end of the term £21.6.0, instead of £19.4.0.

Yours sincerely,

Secretary.
