# The College of Nursing

LIMITED,

HENRIETTA STREET, CAVENDISH SQUARE, LONDON, W. 1.

Miss O. E. Monkhouse,  
Secretary,  
Bedford College for Women,  
Regent's Park, N.W.1.

16th July, 1929.

Dear Miss Monkhouse,

In the absence of Miss Rundle may I beg to acknowledge your letter of the 15th inst., containing the resolution passed by the Council of Bedford College, with reference to the formation of a Committee composed of representatives of Bedford College and the College of Nursing, in order to consider courses for English Nurses in connection with these two bodies.

May I add that as our Committee dealing with these matters does not meet until September, I am afraid that some delay in replying will be unavoidable but we shall endeavour to comply with your request and furnish an answer at the earliest opportunity.

I remain,  
Yours sincerely,

*Harvey G. Goodall*

Assistant Secretary
