Dear Stan,

re: Paediatric Experience for 6 Bedford College Nursing Students.

As our students will be away on vacation during August/September, I would like to let them have the details of their paediatric experience before they go away.

They will commence this experience on 4th October and up to and including 7th December they will be spending 2½ days per week at the hospital, Wednesday afternoons, Thursdays and Fridays.

I should be most grateful if you could let me know where they should report on 4th October, and to whom they should report.

Looking forward to hearing from you.

Yours sincerely,

Marion Ferguson,  
Director of Nursing Studies.
