Dear Marion,

Thank you for your letter of 20th July, 1983. I am sure it would be a good idea for us to meet during the course to assess how things are going and I look forward to such a meeting. Perhaps you would like to visit ~~some~~ *some* of the wards where your students are working?

The service side have raised the question of insurance cover for your students and I believe Miss Barlow discussed this with you. However, I would be grateful for written confirmation of the students' insurance cover.

Hope to see you in the near future.

Yours sincerely,

Ms. Patricia A. Baker,  
SENIOR TUTOR.
